Reeds

All Reed players should always have *at least three good reeds* to play on at all times. We strongly encourage students to purchase a new box of reeds when they get down to 3 or 4. GMS gets reeds at an excellent price from the music store (up to 40% off). The reeds are of high quality and will enhance student sound. Students *may* purchase reeds “one at a time,” but at regular store prices. Please make checks out to *Greenville Middle School*.
